Toolbox Activity Pads

Thanks to a generous donation from the TD Bank Financial Group, we have adapted six of the KHST! Toolbox Activities so that they can be used as stand-alone handouts for parents and caregivers, or as part of a KHST! workshop series. The Stress Stoplight has proved to be one of the most used tools from the KHST! program, so we have created a tear-off pad of this as well. Beautifully designed and printed in four-colour, each pad has 25 tear-off sheets. To receive a set of 7 different pads (175 sheets total), please mail a cheque for \$35 payable to The Psychology Foundation of Canada.
